Missouri Justice Reinvestment Initiative (JRI) Funding Opportunity As part of the Justice Reinvestment Initiative (JRI), the Governor’s Office received federal grant funding from the Bureau of Justice Assistance through the Council of State Governments Justice Center. These funds are being administered by the Missouri Department of Corrections, and a portion of the funding is being made available to local jurisdictions with a priority given to address behavioral health concerns with the justice-involved population. Applications are due on December 23, 2020 . In January 2021, the JRI Executive Oversight Council (established by Executive Order 18-08) will review applications and determine awards. Up to \$50,000 per award. Funding is expected to be distributed in February 2021. Once awarded all funds <u>must be</u> spent by August 31, 2021. Recommendation: On October 14, 2020, the CJCC approved for an application to be submitted. The project will be supported in two ways: legal support and the activities of the project director. A draft application shall be submitted to the CJCC at the November 10, 2020 Council Meeting.	Debbie Allen 20
